Dated this the 23rd April, 2010.

JUDGMENT

The petitioner in this writ petition is a student who had applied for revaluation to the University of his answer paper in Structural Analysis-II. He complains that the delay in carrying out the revaluation is causing undue hardship and loss to him. Therefore, he prays for appropriate directions for the conduct of the revaluation expeditiously.

2. Adv.T.A.Shaji, who appears for the University submits that the application for revaluation has been submitted only on 16th April, 2010. At least two months' time is required to complete the revaluation process.

3. In the above circumstances, this writ petition is disposed of directing the M.G.University to complete the revaluation of the answer paper of the petitioner, as expeditiously as possible and at any rate, within a period of two months from the date of receipt of a copy of this judgment. It is clarified that the above direction is subject to the condition that the application for revaluation submitted by the petitioner is in order and free from any defects.
