W.P.(C) No.13961 of 2010

Dated this the 30th day of April, 2010

JUDGMENT

The petitioner in this writ petition is a student of the B.Tech Engineering Degree Course, who has applied for revaluation to the University of his answer paper in Electronic Circuits. He complains that the delay in carrying out the revaluation is causing undue hardship and loss to him. Therefore, he prays for the issue of appropriate directions for the conduct of the revaluation expeditiously.

2. Adv.P.C.Sasidharan, who appears for the Calicut University submits that the application for revaluation has been submitted only in April, 2010. At least two months' time is required to complete the revaluation process.

3. In the above circumstances, this writ petition is disposed of directing the Calicut University to complete the revaluation of the answer papers of the petitioner, as expeditiously as possible and at any rate, within a period of two months from the date of receipt of a copy of this judgment. It is clarified that the above direction is subject to the condition that the application for revaluation submitted by the petitioner is in order and free from any defects.
